I, A. Richard Park, am the attorney of record for the above-listed patent application.

On August 14, 2003, I signed the transmittal for the above-listed patent application and my Secretary, Ms. Tanya Parker, sent the application via Express Mail to the United States Patent & Trademark Office.

The post office clerk stamped the Express Mail label with the correct date, August 14, 2003. However, the post card we have received from the United States Patent Office states the filing date as August 15, 2003.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,
